

Attention: Leaders - experienced, new or aspiring!

This Leadership Program is designed for teachers and leaders who are looking to improve and develop their leadership qualities. Whether you have just landed your first leadership position, are considering a future in a leadership role, or have been in leadership for some time and need that spark, this workshop will support your growth and development as a leader. We will cover essential attributes and skills of effective leadership including:

- time management
- influencing others
- management V leadership
- strategic planning
- leading with integrity
- building the capacity of your staff
- leading and managing change....and so much more

This 1 day professional learning experience is designed to inspire and support you in becoming the best leader you can be. Join me for an inspiring day of learning and take your career to the next level.

What others are saying ...

- You're an excellent presenter and I found the session very informative and engaging, and exactly what I was hoping to get out of it, Thanks so much!
- Presentation was well organised and resourced with loads of wonderful ideas Thanks Jodie a fabulous day. Looking forward to starting my new time management plan.
- Great day, fantastic insights!
- Inspirational!
- Lots of time for reflection. It is really obvious to me that I definitely have areas to work on and I have processes / tools to use to work on them. Thank you
- Practical ideas and time for own planning and discussion was appreciated.
- Your presentation was inspiring and informative. I appreciate the conversation that we had and definitely have learnt a lot.
